

# Technology Trends in Future Fuels for Maritime, Energy & Power Generation - The Hydrogen Economy

Paul Vincent, Strategic Technology Manager, Lubrizol Ltd

Energy Storage System  
Thermal Management System & Fluids  
Energy Storage System CPVC Pipes & Connectors

Alternative Marine Fuels  
(inc. Ammonia, Methanol and LNG)

H2 ICE Engine Oils  
eFuels

EV Thermal Management System & Fluids  
(Immersion Cooling)

EV TPU Charging Cable

e-Driveline

e-Grease

EV Thermal Management System

In-Battery Chemistry

Batteries

**Thank you**
